# 'ADLIN SAUFI

Bin Mohd Zamri

Graduated from Universiti Malaysia Sabah in Marine Science, but I have a lot of passion in creative productions both photography and video-making. Im now working in an IT & Human Resource company under the Corporate Communications Department as a Creative Media Producer whose in charges in productions of videos. Since coming in, I've established proper directions and mechanism for producing the content, and produced numbers of content which includes, podcasts, celebrations themed videos, video projects highlight and many more. Also have worked in EcoKnights, an environmental NGO at TTDI for almost 2 years as Junior Visual Communicator/ Junior arts director, in the Sustainability Department, as well as a photography and videography freelancer for more than 2 years.
